FUORI SCALA SYSTEM

Le strutture possono essere inserite nei contesti più svariati grazie alla possibilità di scegliere tra tre varianti per la parte inferiore, una ricca proposta di soluzioni contenitive e funzionali: dalla mensola in ceramica, al ripiano con griglia microforata, fino al pratico cassetto!

The structures can be inserted in many contexts thanks to the possibilities of selection of bottom parts, a rich proposal of functional items and cabinets: ceramic top, grid and practical cabinet!

ATTENZIONE!

Dopo aver installato correttamente i raccordi idrici procedere con il montaggio della parte inferiore selezionata.

WARNING!

After installing successfully the water connections proceed with the assembly of the selected bottom part.

griglia in metallo
metal grid shelf

ripiano in ceramica
ceramic shelf

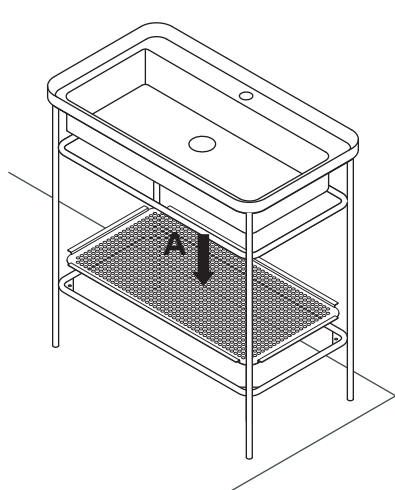

cassetto in legno laccato
lacquered wood drawer

5/a

Opzione con griglia in metallo o piano in ceramica, inclinare leggermente l'elemento per farlo incassare

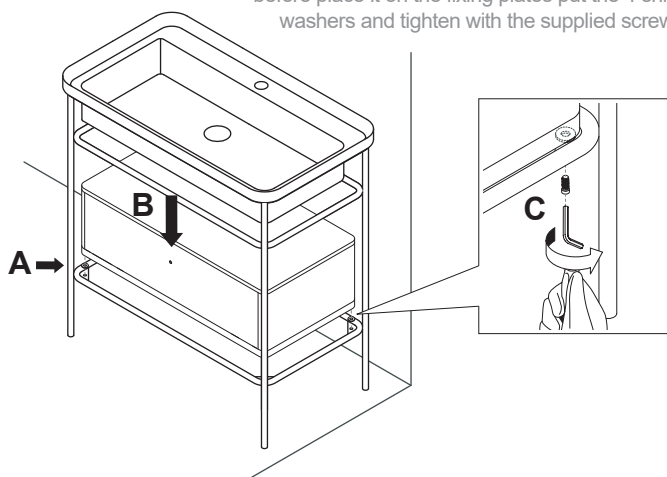

Option with metal grid or ceramic shelf, tilt the element a little to make it recessed
